Dear Parent

"We believe that children are born learners though with own pace."

This principle drives our new academic initiative under Alternative Learning Programme (ALP) where we seek to foster a better learning environment for students who have been unable to secure more than 40% marks in one or more than one subject. The special classes have been schedule for such students from classes V to IX to be held during summer break.

The classes will be conducted in two phases as per the details given below:

Phase	Class	Schedule/ Duration	Timings	Subjects
Phase-1	V-IX	14 May to 19 May, 2018	7:00 a.m. to 11:00 a.m.	All Subjects
Phase-2	V-IX	18 June to 23 June, 2018	7:00 a.m. to 11:00 a.m.	All Subjects

Your ward has also been selected for this programme. Attendance for these classes is compulsory. We earnestly solicit your cooperation in ensuring the attendance of your ward at this time. Busses will ply on different routes and the same will be informed to the students later. Kindly go through the website for details.

In anticipation of your support as always.

With regards
