Dear Parents

Now that the most anxiously awaited occasion in any school, the **Annual Function** for classes IV to IX is underway and there is great excitement and hurried activity all around. As we celebrate Jashn- e - Bachpan once again, the learning is palpable, the camaraderie commendable.

Part and parcel of this great hustle and bustle of course is the costume that has been tailored for your ward; just by looking at it, the memories of your ward's moment in the sun will always be refreshed. But apart from nostalgia there is also a feeling that being so conscious about our environment, can we not do something about re-using this?

Believing in the credo that '*Conservation is Life*' we have decided that henceforth we shall make a concerted effort to re- use all the costumes that have been made in this session for the annual functions to be held in future.

You are requested to have the costume worn by your ward laundered, neatly labelled and handed over to the class teacher on Friday, November 9, 2018.

We solicit your cooperation as always as we realise that it is time that we 'take nothing away but memories, leave nothing behind but footprints!'

With regards
