PARENTAL CIRCULAR

31st December, 2018

DPS/PAT/PC/37/18-19

Dear Parents

The New Year is the harbinger of brighter beginnings, fresh hope and renewed vigour yet at the same time it also ushers in the examination period which is one of the most stressful phases in a student's life, especially for those who are appearing for the Board exams. But the right guidance and support from you can ease the anxieties and lead to an improvement in the overall performance of your ward and help him/ her to accomplish his/her goals.

The CBSE has published the date sheet of the Class X and Class XII board exams and the same is attached herewith for ready reference. It can also be viewed and downloaded from the CBSE website – www.cbse.nic.in

For students appearing for the Class XII Board exams, the results and performance in the Pre-Board assessments being conducted internally by the school assume a great significance. Needless to mention that the Pre Board tests are designed on the same pattern as that of the CBSE Board exams and are aimed at providing sufficient practice to students to be able to comfortably take the actual Board examination in March.

The selection and admission in many prestigious Institutions and Colleges depend upon the scores obtained in the Board exams. This in many ways is the first major milestone that has to be crossed to make a mark in the academic world. This examination takes a student out of the cosy confines of school life to meet the competition from all the students taking this crucial examination from different parts of the country. Hence the importance of preparation for Pre- Board exams and its resultant benefits cannot be over emphasised.

The performance in these examinations is a reflection and culmination of years of toil and hard work. Being able to see the fruits of one's labour is motivation enough to instil confidence and launch one upon the path of success.

At this crucial juncture of your ward's life, we wish to reiterate our support in ensuring the best for her/him. We request you to create a harmonious and friendly study environment for your child, free from all sorts of disturbance and distraction. Our mutual efforts will certainly ensure a glorious future for your ward and create pathways for their bright and successful future.

We, TEAM DPS wish you and yours a Very Happy New Year - 2019.

Regards
